## Early Care and Education Professionals and Parents...

**Struggling to meet the unique behavioral needs of a child?**

**Would you like help creating a plan to promote success at home, school, or in a community setting?**

## Contact Early Childhood Services at The Resource Exchange

**WHAT ARE EARLY CHILDHOOD SPECIALISTS?** TRE staff trained in development and behavior assessment who will assist care providers and parents in planning and implementing interventions for the specified child to succeed or to improve an overall classroom's support of children's social emotional development. Early Childhood Specialists DO NOT provide diagnosis or evaluation. This is a **free** resource!

### **WHOM WE SUPPORT:**

- *Children ages 0-8 who are showing disruptive behaviors or have social emotional needs in a child care center, family child care home, preschool, school setting, or at home within El Paso, Teller and Park Counties.*
- *Classroom staff interested in consultation on implementing social emotional curriculum and strategies within El Paso, Teller and Park Counties.*

**WHEN:** Meetings & assessment times will be coordinated based upon needs of the provider, parent, and child.

**WHERE:** The ECS will come to the childcare center, family child care home, or preschool for assessments and meetings, and/or meet with parents in their home to provide coordinated service for the family and providers.

**CONTACT US:** When calling the ECS Referral Line, please have the following ready (based on type of referral):

- **Child Specific** – Site/teacher or provider name; site/provider address; child name & DOB; parent(s) name, address, and phone; primary concern or needs
- **General Classroom** – Site name and address, teacher name, primary concern or needs
