Introduction to
The Creative Curriculum®
For Preschool

Learning Objectives

- Locate support for the implementation of The Creative Curriculum®
- Examine curriculum materials to prepare for the first few days of school and throughout the year.
- Apply changes to your classroom learning environment based on curriculum guidance.
- Describe the importance of The First Six Weeks: Building Your Preschool Classroom Community Teaching Guide.
- Integrate tools, resources, and guidance from the curriculum into the first six weeks in your classroom.
- Create a plan to prepare for your first study.

Friday, August 14th

9:00 am – 4:00 pm *Virtually*
