

AUGUST 13TH – AUGUST 16TH, 2026

*Greetings from Natalie Pierre,
Parliamentary Assistant to the Minister of Sport*

On behalf of the Government of Ontario, I am pleased to welcome you to the 2026 Canadian National Water Ski Championships.

This exciting four-day event brings together the nation's top water ski athletes to showcase their talent, determination and commitment to excellence. As they compete at the highest level, these athletes also serve as ambassadors for their communities, helping to promote and grow the sport across Ontario and Canada.

Through the Ontario Sport Hosting Program, our government is helping bring national sporting events like this to communities across the province. This championship gives Ontario's athletes the opportunity to compete on home soil, supports the local economy, and reinforces our province's reputation as a premier destination for sport.

Thank you to the Greater Niagara Water Ski Club, Water Ski and Wakeboard Canada and the many volunteers, sponsors and supporters whose dedication and hard work make this event possible.

Enjoy Port Colborne and have a fantastic event!

Best regards,

Natalie Pierre
Parliamentary Assistant to the Minister of Sport
