

# Can You Craft A Snowball Launcher?

Group Name: \_\_\_\_\_

What Materials Will You Use?

\_\_\_\_\_

Sketch Your Design Of The Snowball Launcher:

A large, empty rectangular box with a red border, intended for sketching the design of the snowball launcher.

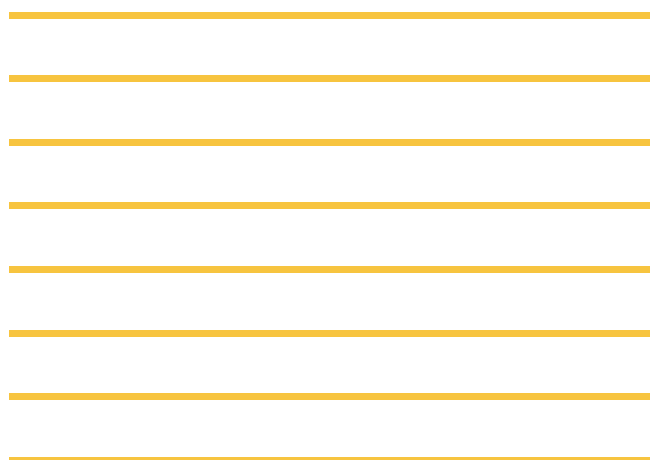

## Set Backs:

Did you run into any hiccups as you were engineering the Snowball Launcher? How far did the snowballs launch?

Seven horizontal blue lines for writing about set backs.

## Reflection:

What changes did you make after the first launch? How far did the snowballs launch the second time?

Seven horizontal orange lines for writing about reflection.
