

Can You Create A Window Greenhouse With Janaki Ammal?

Name:

First Sketch Of The Window Greenhouse:

Second Sketch, After Adjusting & Deciding On Final Changes:

Based on the sketch above, what items will you need to create this Window Greenhouse?

Final Thoughts:

Why did you make the changes you decided above?

What obstacles did you encounter while building the greenhouse?

What is something that IF you were to turn this into something bigger, what would you change and what materials would you use?
