Can You Design A Video Game Featuring A Snowman?

makermaven

BLOXELS

Name:

What will the challenge be for the game?

Write down qualities and names of your characters:

What scenes will you be using for your video game?

Final Thoughts:

What are some complications you and your team think might arise as you begin to create your video game?

Did you run into any hiccups as you were creating?

What changes could be made to fix the problem?
