

# Can You Design A Marble Run For A Cubelets?

**Group Name:**

**Sketch Your Idea:**

**Brainstorm:**

What are some complications you and your team think might arise? What items are you and your team planning on using?

**Plan:**

What cubes are you using to create your Cubelets robot?

**Code:**

What is the code you are inputting to get through your maze?

**Final Thoughts:**

After you run the code, what changes need to be made? Did the new changes work?
