

Can You Design Your Own Family Flag Using STICK TOGETHER®?

Name:

What does the American flag stand for or symbolize?

Why were specific colors chosen?

What does the flag reveal about our Country?

Why is having a flag important in general?

Now...Think About Your Family

What are 3 things that your family stands for or is known for?

List three to four emotions that your family brings out in you and others. (Use the website for guidance)

What colors match the emotions you listed above?

What else do you want people to know about your family?

Use the grid area on the next page to design your family flag. Be sure to color it so that you can use this template to create your StickTogether Pixel image.
