Gardening To Do List

- [ ] Plant cool season annuals... pansies, petunias, violas, snapdragons, ornamental cabbage & kale

- [ ] Divide & replant clumping perennials

- [ ] Plant camellias & sasanquas now while selection is best

- [ ] Take soil samples from lawns & landscape beds & submit to the LSU AgCenter for testing

- [ ] Plant hardy trees, shrubs, vines & groundcovers
  Use root stimulator for a good start
