Gardening To Do List

- [ ] Plant hardy trees, shrubs, vines & groundcover now (pro tip: use root stimulator)
- [ ] Water beds & new plantings with a deep soaking during dry periods.
- [ ] Plant spring flowering bulbs now through mid-December. Refrigerate tulip & hyacinth bulbs & plant in late December to early January
- [ ] Start a compost pile using leaves, grass clippings, & remains from your vegetable garden
- [ ] Plant herbs for winter harvesting... parsley, sage, thyme, dill, cilantro, rosemary, oregano, chives, & mint
