

Virginia Network Conference Proposal Planning Document

This document outlines the information that will need to be provided when you submit your conference session proposal online. This is for planning purposes only. All proposals need to be submitted using this link:

https://odu.co1.qualtrics.com/jfe/form/SV_1HQF1ZXQI8shb00

Your contact information. You will be prompted for any co-presenter information at the end of your submission.

Primary Presenter First and Last Name / Your Title/Role / Your institution

Email address / Telephone Number

Title for your session

Category for session's focus area (based on conference sub-themes):

Teams Through Change and Crisis

The Unsinkable Leader: Thriving Through Transitions and Turbulence

Charting New Courses: Shaping Higher Education's Future in Dynamic Seas

Anchors and Bridges: Fostering Networks in the Waves of Change

The Inner Lighthouse: Guiding Mental Health in High Tides

Ethical Compass: Finding True North in Turbulent Times

A brief description of your session to include learning objectives for participants. You may also describe how your session reflects this year's conference theme. Note that sessions will be 45-minutes in length. (1250 characters or less)

How your session will encourage participation/networking amongst participants (e.g., activities, takeaways, tools, etc.)

An abstract (500 characters or less) which will be included in the conference program if your session is selected.

Contact information for up to two co-presenters. (Names, emails, phone numbers)

Please access the on-line proposal form below to complete and submit your session proposal:
