

December 8th 2019 ARCS Holiday/ Gatsby Party Report

This year, our December Holiday Party, at the Chevy Chase Club, revisited the 1920s. The ballroom was filled with gorgeous flappers draped in pearls, sequins, and feathers. After you passed by the speak easy door, you were greeted with festive table arrangements that sparkled with “diamonds” and gold. Costs were held down and the ticket price of \$125 per person allowed us to finish the evening event with a small surplus of \$35.00.

103 guests attended:

28 members and 28 significant others or spouses

6 single members

41 guests

A big hug, thank you, and shout out goes to:

- Laura Hoernig, who single handily created the fabulous atmosphere, transporting us back into the 1920s; and underwrote the decoration expenses, and
- to Elli Nesbit who captured it all on film for us.
