

Second Quarter Honor Roll:

We are pleased to announce the names of the 7th and 8th grade students who have made Honor Roll for the second quarter of this school year. In order to be placed on the honor roll, the family handbook states the conditions. It says: "If the average of all subjects is 94.5% or above and there are no N's or U's in general conduct, the student will be placed on the First Honor Roll for the quarter. If the average of all of these subjects is 89.5% to 94.4% and there are no N's or U's in general conduct, the student will be placed on the Second Honor Roll for the quarter. Students on either Honor Roll receive a special certificate of Academic Achievement in their report card each quarter they are on the Honor Roll."

We are thrilled to say that 64% of our 8th grade students made the Honor Roll for the second quarter. In the 8th grade, 38% of students earned a place on the First Honor Roll and 26% on the Second Honor Roll. This is outstanding for the 8th grade students! As you can tell, we have many 7th and 8th grade students who are studying very hard and keeping their behavior in check! We also know that there are many other 7th and 8th graders who are working hard and behaving as they should, but just didn't quite make the honor roll. We also salute these students! Our thanks to these students for their hard work and to their parents for the wonderful support they provide to their children. It takes everyone working together, the students, their parents and the teachers to succeed with such outstanding academic achievement. Congratulations to all!
