

TCPICS is honored to be working with your school—providing portraits and memories for the yearbook & for friends & family!

It is your school's policy that you use TCPICS for your senior formal portraits to be included in the yearbook.

TIPS For Your Session

Grooming for the Gentlemen

It's best if you schedule a haircut 1-2 weeks in advance of your session—this gives it a little time to grow out.

We suggest shaving the morning of your session—or at least be "clean" shaven!

We have the formal wear for you—you just need to wear a tshirt.

Grooming for Ladies

We suggest you wear your hair in a style you wear every day—as this is how you are most familiar seeing yourself. Hair should be styled so that your eyes are visible to the camera.

We suggest neutral colors for your makeup. Even if you don't wear makeup every day—we strongly recommend it for photos.

We have the formal wear for you— please wear a strapless shirt or a cami style tanktop to go under the black drape.

Casuals—the most important thing is to wear what you're comfortable in. Clothing should be clean and pressed. Solid colors work best.

Props are welcome! Pets ... instruments ... sports equipment—jerseys, etc.!

Casuals can be done indoors or outdoors!
