

TCPICS is honored to be working with your school—providing portraits and memories for the yearbook & for friends & family!

It is your school's policy that you use TCPICS for your senior portraits to be included in the yearbook.

Senior sessions are booked directly on the TCPICS website—under appointments. We will begin the class of 2020 photos as of June 1. Even if you want to do your session later in the summer, we recommend booking early so that you are guaranteed a spot! Don't delay—it gets harder to get an appointment the longer you wait!

We have changed our session types & pricing this year ... along with a reduction in pricing for senior portrait packages! We have something for everyone!

PARENTS

Although you are not required to be present at your senior's session—we love having parents join us! This gives you a chance to see some of the many product offerings we have—ask questions—but most importantly—be a part of this special right of passage!

TIPS For Your Session

Grooming for the Gentlemen It's best if you schedule a haircut 1-2 weeks in advance of your session—this gives it a little time to grow out. We suggest “clean” shaven! We have the formal wear for you—you just need to wear a tshirt.

Grooming for Ladies We suggest you wear your hair in a style you wear every day—as this is how you are most familiar seeing yourself. We suggest neutral colors for your makeup. We have the formal wear for you— please wear a strapless shirt or a cami style tanktop to go under the black drape.
