### SEND COUPONS TO MILITARY OVERSEAS

Overseas military members can use **expired coupons up** to six months past their expiration date! Military families stationed overseas are often living on one income and money can be scarce. Our CFWC members can support our military by showing them some “coupon love”!

Eligible Coupons:

- Send only Manufacture Coupons. DO NOT send store or restaurant coupons.
- Coupons must be Clipped and Sorted into Food and Non-food.
- DO NOT send **coupons** that are over 30 days **expired**.
- 

Sorting coupons:

Separate your clipped coupons into two categories: Food and Non-food.

Most military bases have two (2) stores. One is called the “Commissary” which is a grocery store, and the other is the PX or BX which is a department store. By sorting into these categories they can be more easily placed in the correct venue once they arrive at the base.

Label the Bundles:

Try to use a baggie to separate your coupons instead of paper lips or rubber bands.

What's Food & Non-food?

Rule of thumb: it is food if it can be eaten by humans, is usually eaten by humans, and is normally eaten to provide calorie: For example, dog & cat food would be “Non-food,” but Ensure or Slim-Fast would be “Food”. Vitamins would be non-food. Chewing Gum and Mints are food. Baby coupons should also be separated.
