

Notice of Public Meeting for Reclamation Districts, Local Stakeholders & Agency Staff: Paradise Cut Bypass Expansion Project

****Please share this notice with the board members, lawyers, and engineers of any reclamation districts that you represent.**

On behalf of the San Joaquin County Resource Conservation District (SJCRCDD) and American Rivers, this public meeting is scheduled to share information and gather input from local stakeholders – including landowners and growers, board members of local reclamation districts, and public agency staff. The meeting will focus on highlighting outcomes from Phase 1 of the Paradise Cut Bypass Expansion Project and sharing next steps for Phase 2 of the project. All members of the public are welcome.

Date and Time: Thursday, June 20, 2019; 9:00 AM to 11:00 AM

Location: Roberts-Union Farm Center; 4925 Howard Road, Stockton, CA

Purpose:

1. Share outcomes of Phase 1 planning for the Paradise Cut Expansion Project
2. Share Phase 2 planning project goals, objectives, and timeline; solicit input from reclamation districts, local stakeholders, and public agencies
3. Identify and discuss questions, comments, or concerns of reclamation districts, local stakeholders, and public agencies

Agenda:

1. Welcome and introductions
2. Overview of Paradise Cut Expansion Project, Phase 1 – description of Minimum Viable Project, cost estimate, and permitting & compliance strategy
3. Next steps – Phase 2 goals, objectives, and timeline
4. Discussion and questions
5. Wrap-up

Questions: Please contact Jen Metes at jennifer@conserosolutions.com or 530-746-2083
