

BECOME A UC MASTER FOOD PRESERVER VOLUNTEER

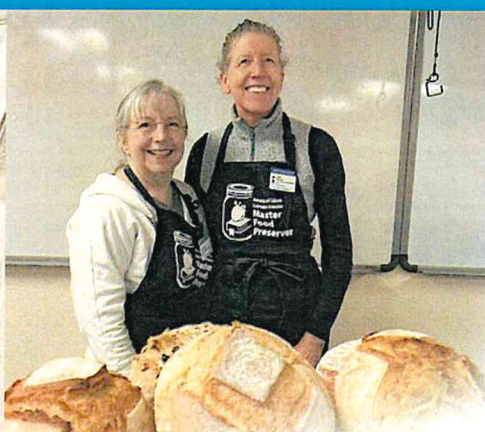

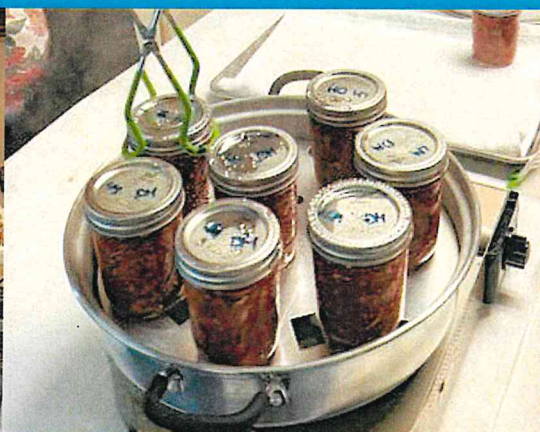

Apply for the 2026 Training Class by Nov. 23

Weekly classes run
January – June 2026

Online classes with
in-person Hands-On Labs

UC Master Food Preserver volunteers receive UC research-based training in safe home food preservation, then give back by teaching the public through classes, demonstrations, and outreach.

Join us to gain preservation skills, reduce food waste, and help your community enjoy safe, healthy foods.
