

Bridging the gap between neighborhoods, neighbors and community partners. The Zone will circulate important information and happenings that are beneficial and essential to you.

West Louisville, like a garden bursting into bloom, is ready to grow together. Spiritually, we'll nourish our souls with shared faith in Jesus Christ and acts of kindness. Mentally, we'll sharpen our minds with open dialogue and new opportunities. Physically, we'll revitalize our streets with sweat and laughter, helping our bodies and minds, and community to be strong and vibrant. Financially, as we share and support new ideas, we ensure that each blossom reaches its full potential. March, in our neighborhood, will be a season of new beginnings as we watch our community blossom into a radiant, thriving West Louisville.
