

## LISTEN TO RECORDED JOURNAL CLUBS AND CAREER DEVELOPMENT WORKSHOPS ON ASHI-U

In May, the ASHI Educational Initiatives Subcommittee began a monthly webinar for directors-in-training. Recordings of these alternating journal clubs / career development workshops are freely available to all ASHI members on the ASHI University website and offer ABHI-approved continuing education credits. Topics and speakers for 2020 are listed below; speakers and topics for 2021 are in preparation.

| <b>Date 2020</b> | <b>Topic</b>  | <b>Speaker / Facilitator</b>                    |
|------------------|---|---|
| May 13           | Agbor-Enoh et al. Donor-derived cell-free DNA predicts allograft failure and mortality after lung transplantation. <i>EBioMedicine</i> 40 (2019) 541–553  | Helene McMurray / Annette Jackson               |
| June 10          | Overview of the Directors' Training Review and Credentialing (DTRC) Process   | Melissa Weeks, Eric Wagner                      |
| July 8           | Danger et al. CXCR5+PD1+ICOS+ Circulating T follicular helpers are associated with de novo donor-specific antibodies after renal transplantation. <i>Front Imm.</i> 10 (2019) Article 2071  | Luis Hidalgo / Helene McMurray                  |
| August 12        | Curriculum of a formal training program for HLA laboratory directors  | Anat Tambur, Anna Greenshields / Carol Pancoska |
| Sept 16          | Wiebe et al. HLA-DR/DQ molecular mismatch: A prognostic biomarker for primary alloimmunity. <i>Am J Transplant.</i> 2019;19:1708–1719; Wiebe et al. Evidence for the alloimmune basis and prognostic significance of borderline T cell-mediated rejection. <i>Wiebe et al. Am J Transplant.</i> 2020;20:2499-2508 | Chris Wiebe / Annette Jackson                   |
| Oct 14           | Human resource management of an HLA laboratory  | Carolyn Hurley / Amy Hahn                       |
| Nov 4            | Petersdorf et al. Role of HLA-B exon 1 in graft-versus-host disease after unrelated haemopoietic cell transplantation: a retrospective cohort study. <i>Lancet Haematol</i> 7 (2019) e50–e60.   | Michael Greenwood / Todd Eagar                  |
| Dec 9            | Selecting, preparing, and presenting a case portfolio   | Vikram Pattanayak / Paula Arnold                |

Any director-in-training or newly approved directors are welcome to join the live sessions which are usually offered on the second Wednesday of the month by contacting [kgiovetsis@ashi-hla.org](mailto:kgiovetsis@ashi-hla.org). Access to the live sessions is limited in order to facilitate questions and discussion within this educational initiative.
