

ASHI MEMBER SPOTLIGHT

Huda Al-Taee, MD
Transplant Nephrologist
Renal transplantation center/ the medical city- Baghdad

Graduated from: Iraqi board of Nephrology and Renal transplantation / the medical city- Baghdad

How long have you been an ASHI member? 1 year

When and where was your first ASHI meeting? My first ASHI meeting was the 2021 virtual Regional Education Workshop and it was an amazing opportunity.

What made you decide to work in HLA? I was interested in transplantation and immunology is the backbone of transplantation. I find the work in this field very interesting.

Most rewarding aspect: Better HLA matching = better graft survival = better life for patients.

Fun fact: I like reading, cooking, traveling, and listening to music. My favorite hobby is fashion designing.
