

# ASHI VOLUNTEER SPOTLIGHT

**Mary Carmelle-Philogene, PhD, F(ACHI)  
Virginia Commonwealth University**

**What committee(s) do you serve on?**

Proficiency Testing (PT), National Clinical Affairs (NCAC), Quality Assurance & Standards (QAS), Education

**How did you get started as a volunteer for ASHI?**

I was recommended by Kelley Hitchman to become a member of the PT Committee and then applied for other committees.

**How has volunteering for ASHI improved your professional development?**

Collaboration with colleagues, publications, developing policies, being in the “know” helps as a laboratory director.

**What is your most memorable volunteer moment?** 1) Speaking to a representative from Congress about the Vital Act. 2) Working with 3-4 members of the PT Committee on publications.

**Why do you think it is important for others to volunteer with ASHI?** Sense of community, friendship, problem solving, learning good practices.
