

## 2024 Willingness to Serve Statement

**Board Member** - 3-year term – Board Members function as part of the governing body responsible for accomplishing the objectives of the Society. Board Members are responsible for participation in long-range planning as put forth by the strategic plan and in the development of policies and programs to accomplish ASHI’s mission. Board Members’ responsibilities include direct oversight of their assigned committee(s)/program(s) and they shall regularly report to the Board of Directors on activities undertaken by their respective committees/programs.

Board Members shall have a minimum of three years’ experience in the field of histocompatibility and immunogenetics. In addition, all candidates for Board membership must have demonstrated at least three years of commitment to forwarding the Society’s strategic goals. The Board Members will be elected on a staggered schedule and in a manner that ensures that there are at least five individuals with an earned doctoral degree. Board members must remain engaged in the HLA profession while serving their 3-year term on the board.

**Nondoctoral** Board Member Candidate: \_\_\_\_\_
