Thinking of joining an upcoming prayer circle? They are a new offering here at Oneness, so we've created a guide with some helpful information to ease any concerns you may have. Prayer is powerful. Join a Prayer Circle!

Will there be one that fits into my schedule?

There are many different day and time options. None of them work for you? Let us know what would!

I've never taken a class at Oneness before, can I still join?

Yes! These circles are a perfect way to learn about our community's most important spiritual practice and to make some friends at Oneness.

I don't feel comfortable praying in front of others.

We hear you! Everyone has to start somewhere. These small circles are full of love and support. Isn't it great to have a community to grow with?

What if I've never prayed for anyone before?

These circles are about showing up for each other. We are here to love each other, through prayer. If you can speak words of Love, you can pray for others!

I'm not sure I know all the steps of Affirmative Prayer.

No Worries! Our facilitators are well versed in Affirmative Prayer and are here to support you in any way. We also cover the steps in the first week.
