**This class is a prerequisite for all other coursework at Oneness. If you are interested in other educational classes you will be required to complete this course, or its equivalent as determined by Oneness, first.**

**\* Accreditation refers to the acknowledgement and record keeping of your courses through the Centers for Spiritual Living. Accreditation is a part of the process toward certification as a “Practitioner” or other certifications made available through the Centers for Spiritual Living. This is NOT a Oneness Fee and it is NOT required in order to take the course. Completion of the course, regardless of accreditation, fulfills the prerequisite requirements to take additional courses at Oneness.**
