

The Southland Elementary PTO is happy to partner with Qdoba Restaurants to offer an exciting fundraiser!

How It Works: Each student is eligible to sell a Qdoba sheet that has multiple offers from Qdoba in SE MN! There is no limit on the amount of sheets that a student can sell! Please stop into the office to pick up the amount of sheets you are wanting to sell for the month of MARCH! The PTO will earn \$8 on each sheet sold!

How Much Is Each Sheet? The student will sell each Qdoba sheet for \$10! All money raised from the fundraiser will be turned into Katie L. at the office!

What can be won? There will be multiple BIG winners from this fundraiser:
