JEWISH SENIOR LIFE

Jewish Senior Life Wine Pairings and Tapas Event

On Dec. 12, Jewish Senior Life of Metropolitan Detroit toasted the holidays in style at a wine pairings and tapas event in the new Fireside Lounge at West Bloomfield's Hechtman Apartments. Guests sampled wines selected by Plum Market Sommelier Paula Hartson who shared decanting and pouring techniques, wine storage temperature guidelines, and other wine tips and tricks. Plum Market's selected vintages, including kosher wines from France, California and Israel's oldest winery, were perfectly paired with Spanish tapas prepared by JSL's culinary team. 🍷
