

She volunteered for Yad Ezra, distributed Meals on Wheels, contributed by making meals at Ronald McDonald House, supported the Empty Bowls Project to eliminate Detroit hunger and then as Meer President of the Resident Council for several years, Nancy led the committee to raise funds for the West Bloomfield Fire fighters and Police, and raised funds for Federation to support Israel. Also a writer, Nancy penned her cancer survivor story in the most recent book, "Don't Write Me Off!", published by JSL and written by 39 residents. She is an incredible listener and a very good friend and welcome face to all the new members of the Meer family. Happily married to Manny for 45 years, JSL is very proud to welcome Nancy Kalef as one of the EIGHT Over 80 Honorees at our event May 19<sup>th</sup>. We hope everyone will support the 31<sup>st</sup> annual luncheon gala.
