

Hechtman Happy Hours

The Fireside Lounge is the place to be for the fun-loving residents of Jewish Senior Life's Hechtman Apartments every Wednesday afternoon. That's when they head to the beautiful Fireside Lounge for several hours of camaraderie, laughter, snacks and beverages for the popular Hechtman Happy Hours.

Jackie Rosender, Hechtman II resident service coordinator and sales specialist, along with Heather Kurgin, the dining services manager for Hechtman Apartments, take great pride in planning the entertaining weekly events, which always feature a timely theme. Tough trivia questions test residents' knowledge and memory, and the highlight is always the signature craft cocktails and mocktails concocted by Kurgin that boast such creative names as Dirty Shirley, Wonka Watermelon Poptini and Boozy Orange Creamsicle.

"Our residents really enjoy the vibrant atmosphere, laughs and lively chatter," said Rosender. "We mix, mingle and make memories playing engaging brain games, and everyone has a blast." ☀
