

Janet was nominated by five people to be part of the Eight Over 80 Celebration. And many more would second these sentiments about her. Over 60 years of devotion to Congregation Shaarey Zedek began when Janet was a 17-year-old camp counselor and continued through serving as Executive Director – with numerous roles in between, including decades of teaching. Beyond her extensive professional background, she has been a volunteer with Hadassah, Congregation Beth Ahm, Jewish Family Service's Cancer Thrivers, the National Council of Jewish Women, Jewish Hospice and Chaplaincy Network and Dimensions Advocacy Board. Janet serves as a friendly visitor to individuals with terminal diagnoses and is a member of the JHCN's Grand Circle of Women. She steps up to every task that comes her way because she feels she has been extraordinarily blessed and feels strongly about sharing these blessings with others. We are fortunate Janet spends time weekly at Jewish Senior Life as a friendly visitor to our residents. Janet volunteered recently to lead Passover seders for our Fleischman Residents next month. Mazel tov to Janet for all she does to make our world a better place. She is indeed a Tikkun Olam superhero!
