JUNIOR POLICIES & PROCEDURES

Our goal is for every junior player to learn, grow and enjoy the game of tennis. To give every player the best experience and attention, we staff programs according to the number of players signed up.

Fall 2021 Junior programs will not be prorated and be charged at the beginning of the session. Players who choose to participate in only one day a week will be put on the waiting list in order to allow players committing to the full week an opportunity to do so. Openings will then be filled and players notified the Friday before the session starts.

Below you will find a list of reasons for missing class that warrants credit for a future session. In the event one of these happens, credit towards the next session will be applied.

Credit towards the next session will be applied if you miss practice for the following reasons:

- Injury, illness or emergency that prevents the student from attending class. Please notify the Director of Junior Tennis, Ethan Vaughn, via email or voicemail as soon as possible.
- School trips or events. Please notify Director of Junior Tennis, Ethan Vaughn via email or voicemail with the day(s) or date(s) the student will be missing five days prior to class.
- Family celebrations, graduations and or special events. Please notify Director of Junior Tennis, Ethan Vaughn via email or voicemail with the day(s) or date(s) the student will be missing five days prior to class.
