

CUMC NOMINATIONS 2018

Listed below you will find a list of all positions to be filled by Nominations; this process will begin in September and be completed by the November Charge Conference. Please look over the vacancies and see if you know of a person or persons who might be interested in any of these - and don't forget yourself! Conversations/questions about any aspect of nominations will be welcomed by Pastor Scott or any of the committee members listed above. You may also go Centraltolife.org and find the Nominations form for comment or questions - or to nominate someone for a position. Thank you for your participation; looking at the list below you can see what a tremendous privilege it is to fill these positions with qualified, interested persons - a privilege all of us need to take advantage of.
