

Our free camps are once again being offered remotely to give students in grades 3 through 8 the flexibility to learn without coming to campus. Student participants will enjoy engaging lessons related to content material to help prepare them for the upcoming school year.

Every day for two weeks, students will engage in online interactive learning taught and designed by trained expert teachers. During the camps, students will work directly with their camp instructor and same-age peers, enjoying a variety of activities to peak their interest in learning and deepen their knowledge.

# BGSU Academic Enrichment Camps

[ BOWLING GREEN STATE UNIVERSITY ]
