

Kristen Mignogna
Financial Advisor, LPL Financial

WWLCC Treasurer, Kristen Mignogna, joined the Board in January 2022. Kristen grew up in Willowick, graduated from John Carroll University with an Accountancy major in 2000 and went on to earn her MBA from John Carroll the following year. She has been a CPA for the past 20 years and is now a self-employed financial advisor through LPL Financial. Today's financial markets make it a tough time to be an advisor (or an investor!), but Kristen proactively engages with her clients to explain how these events affect them and to make adjustments as needed. She is Series 7 and Series 66 licensed and holds her life, health and variable insurance license through the state of Ohio. Her office is located on Vine Street in Willowick.

Kristen is also a Tax Specialist at Hupp Tax Service in Willowick. With several years of tax preparation in her background, Kristen takes pride in helping clients make good tax decisions as well as sound financial and investment decisions. As both a financial advisor and CPA, Kristen provides integrated advice to her clients. She particularly enjoys working with clients approaching and transitioning into retirement.
