

Traci is responsible for managing the facility services at the Wickliffe, Ohio location. In her main role, she supports the operation of the facility by provide efficient and cost-effective services to internal customers while maintaining a safe work environment. Traci is also responsible for the site's Community Investment Program which involves building positive relationships within the local community and outside organizations to ensure Lubrizol has an understanding of the opportunities and challenges within Lake County and how the organization can support them. This is Traci's fifth year serving on the chamber's board of directors and she will serve as the board chair in 2022 and 2023.
