Early Steps Learning Center, owned and operated by Sharon Jackson, CEO, was started in 2003 in Richmond Heights and expanded to Wickliffe, Ohio in 2014. We are a Christian based organization providing excellence in childcare and early childhood education in the communities we serve. It is our mission to provide high quality childcare and to engage children in active exploration of their environment which promotes self-reliance, confidence, and lifelong learners. We are recognized by the State of Ohio as a 5 Star Rated center in the Step Up To Quality System. Our teaching team emphasizes love, empathy, honesty, responsibility, and citizenship daily. We feel that it is important that the foundation of leadership in a community and at home be created from a very early age.

We love to connect with new families and providing care for children from the ages of 6 weeks to 11 years old. Early Steps Learning Center "Where Every Day is a Fun Day". ([www.earlystepslearningcenter.com](http://www.earlystepslearningcenter.com))
