Does your community have an abandoned building or potentially contaminated property that is impeding future growth? We will help you and your community gain a better understanding of what a Brownfield is, learn how Brownfield revitalization can be a part of your community's economic development strategy, and hear from state and national representatives on funding opportunities, including the newest resources available to you and your community.

Before

After

The City of Lancaster successfully utilized Brownfield grant funds to assess the former 1830s Mithoff Hotel property in 2008. The assessment reports prepared the property for reuse, and a local developer who recognized the historical significance of the building turned it into a commercial retail building.
