

**Fate Into Destiny Wellness Center**  
**Michael and Margo Davis, Owners**  
<https://fateintodestiny.setmore.com>

Michael and Margo Davis own and operate Fate Into Destiny Wellness Center, located at 38021 Euclid Ave, Suite 2, Willoughby. We are proud to provide training in Personal Development, Energy Healing, and the love for helping others to provide personalized wellness experiences in the community where we live.

Our wellness experiences are created to provide information, inspiration, and support to those who are facing career and personal life challenges. As your wellness guide, we will stand with you as your partner in transformation as you shift your thoughts, habits, and behaviors from the self-limiting/self-sabotaging messages that have kept you stuck; into life altering...uplifting thoughts, habits, and behaviors that will lead to actions that are in alignment with your life's desire. We will support you through your process of change - tapping into your purpose, passions, and strengths - encouraging you to reach for your dreams.

In addition, Michael leads our Men's Topic and Discussion group - a space for men to come together to explore topics of interest and to support each other.

Other Services include Energy Healing - reiki and crystal healing.

Our services are also available to businesses that want to encourage overall wellness for their workforce. We invite you to schedule your Complimentary Consultation to discuss how we can support you in becoming Empowered to Transform and Heal your life and to realize your dreams! Call us at 440-833-4138 to schedule your appointment today.

It's a pleasure to be members of WWLCC which provides countless opportunities to meet new people and connect with other businesses in the community where we live and operate our personal wellness business.
