**Education and Development Program of the**  
**Willoughby Western Lake County Chamber of Commerce Scholarship Application**  
**Teacher Recommendation Form**

**Name of Candidate:** Eleanor Ramos

**Teacher's Name:** Julian Eckles

**Contact Information:** [julian.eckles@riversideschools.net](mailto:julian.eckles@riversideschools.net)

Eleanor Ramos has been a student in my Pre-AP Honors World History Class and SIDE Leadership Class. She is a truly outstanding young person who has amazing leadership skills. Inside and outside of school, she is the president of three different clubs, vice president of Cleveland City Club's Youth Forum Council, and an active member of twenty-two different clubs. She holds leadership positions in both Girl Scouts and Boy Scouts of America. She balances sports, altar serving, acting, and tutoring other students in her schedule as well. Eleanor is incredibly organized and is very goal driven. She is sixteen years old and will graduate with her Associates of Arts in May of 2022 and her Associates of Sciences in December of 2022. She commits all of herself to what she is involved with. She will impress all with her tireless work ethic. She works two jobs as the manager of Thai 999 Express and in the education department of the Cleveland Metroparks Zoo. In addition to the previously mentioned things, Eleanor is also a person who possesses great character and empathy for others. She can regularly be seen helping other students. She is a person who has very strong convictions that are set on doing the right thing. Her decision making skills are unquestionable. She can absolutely be counted on to

do the right thing, all of the time. Each of the above mentioned characteristics make Eleanor very deserving of selection of this scholarship to pursue her passion of nursing.

**Regarding: The Education and Development Program of the Willoughby Western Lake County Chamber of Commerce Scholarship**

Eleanor Ramos

To Whom it May Concern,

I am beyond thrilled to be writing a letter of recommendation for Eleanor Ramos. I teach Spanish at Chardon High School and have had the pleasure of having Eleanor as a 7th grader in my exploratory language class and as an 8th grader in my Spanish I class. She is now a junior at Riverside High School and a sophomore at Lakeland Community College. She gets great grades and is a positive role model to the students around her. Her academic achievements have been recognized through Lakeland Community College's Dean's List, Riverside High School's National Honor Society, and through academic awards at both Chardon and Riverside High School. At her time at Chardon High School, she was and still is a very hard worker and always volunteered to help students who needed the notes or who were new to the school and needed assistance or guidance. She is a nurturing and caring person.

Eleanor keeps herself very busy in school as well as outside of school. Outside of school, she has completed over 300 hours of community service work, and she actively acts in four different theaters, not including the school. She participates in 22 different clubs and holds strong leadership positions in four additional clubs. She is involved in Girl Scouts, Boy Scouts of America, and altar serving within her church. She cares about her community and is always looking for ways to improve it and make it better. She characterizes the saying "If you don't like

it, then change it." She is always trying to improve things around her and make them better for herself and for others.

In her time at Chardon High School, Eleanor had many commitments too! She took a leadership class along with her demanding course load, and she was a Topperette and in the Chardon Core Values Club. She was on Riverside's dance team and was a competitive cheerleader at Step One Allstars North. As a model citizen, she is now currently involved with Actively Caring For People, Academic Challenge, Academic Decathlon, Art Club, Construction Crew, Chardon Core Values Club, Chess Club, she is a member of Lakeland Community College's Dean's List, Equality Club, Female Empowerment FEMME Program, Gaming Club, Gay Straight Alliance, Great Pals, Environmental Green Team, Speech and Debate, Hispanic Club, Interact Club, Makeup and Costume Crew, she is a tutor for American Sign Language; Spanish; American Government; English, Mock Trial, Model United Nations, One Acts, Altar Serving at St. Gabriel Parrish and St. John Vianney, Boy Scouts of America, Environmental Clean-ups at Eleanor Garfield Park and Mentor Lagoons, United States Air Force Auxiliary Civil Air Patrol, Spanish American's Women's Club, and Girl Scouts of America. She has acted and currently acts through Geauga Lyric Theater Guild, the Fine Arts Association, Rabbit Run, and Curtain 440. In addition to her many activities, she is the manager at Thai 999 Express, a partner with 1AC-CESSIBILITY, an employee at the Cleveland Metroparks Zoo, president of KNOW Abuse Peer Leadership Advisory Board, president of Youth to Youth, the Scribe in Scouts BSA and plans to run as the Senior Patrol Leader, a Student Leader in Cleveland STEP, a member of National Honor Society, the vice president of Cleveland City Club's Youth Forum Council, she is a Camp Counselor at Camp Whitewood and Lake Metroparks, and a member of the Northeast Ohio Climate Reality Project. She attended the Appalachia Service Project with Chardon High

School, HOBY State Leadership seminar during June of 2021, and graduated from Leadership Lake County's Junior Leadership Program in the Spring of 2021

Eleanor Ramos is a well-rounded student with many interests and hobbies. She is involved in so many activities inside and outside of school and strives to help people in whatever she does. A community member contacted me for Spanish help for a younger student, and I immediately thought of Eleanor. I knew that she would want to do it and that she would do a great job, and she did. She is a leader in school and outside of school and would be a wonderful member of the National Honor Society. She embodies caring about people and enriching people's lives through service.

Please contact me if you need more information.

Sincerely,

Karen Fisher ([karen.fisher@chardonschools.org](mailto:karen.fisher@chardonschools.org))

## **Nursing Scholarship Essay**

Eleanor Ramos

I am Eleanor Ramos, a junior at Riverside High School and Lakeland Community College. I will be graduating with my Associates of Arts in May of 2022, my Associates of Sciences in December of 2022, and my high school diploma in May of 2023. I plan to enter Lakeland Community College's Nursing Program during the fall of 2023, once I turn eighteen years old, to receive my Associates in Nursing and my Registered Nurse Certification. At the same time, I will enter into a dual-enrollment nursing program to receive my Bachelors in Science in Nursing by the age of twenty one years old. I am applying for the Education and Development Program of the

Willoughby Western Lake County Chamber of Commerce Scholarship to receive financial support in my nursing career. I am passionate about helping those around me and serving other people, which a career in nursing will provide.

After graduating with my Bachelors in Science in Nursing, I plan to work as a nurse in an intensive care unit, pediatric unit, or NICU. I will use the skills I have learned through clinicals and schooling to provide the best care possible to my patients. I want to ensure that those I am caring for are comfortable, understanding of what is going on with them or their family, and beyond satisfied with the quality of treatment they are receiving.

I have desired to become a nurse since I was a child. It started with my concern for other people and my relationship to the Roman Catholic Church. I knew I wanted to strive to be like Mother Teresa and assist those in need. Moving into the future, when I was fifteen years old, I had a surgery performed at Cleveland Clinic on both of my legs. To repair the damage I experienced, the surgeon and his amazing team broke both of my femurs, tibias, and fibulas. They removed the additional scar tissues and repaired the torn muscles. They implanted titanium rods and screws in my legs to ensure stability. In the process, there was an issue with anesthesia

and the nerve block; neither had worked. The amount of pain I experienced was unbearable. I was scared, confused, disappointed that my long-term career as a gymnast came to an end, and in extraordinary pain. While I was there, there was a nurse named Jo who stayed by my side during the week and a half I was in the hospital. She brushed through my hair, gave me blankets, told me stories about her life as a teenager, explained what was going on, and held my hands as I cried. She created a safe, welcoming, and nurturing environment to a terrified child. I do not recall most of my experience there due to the amount of medication administered and pain, but I do remember my nurse named Jo. I hope that in the future, when I become a nurse, I will be able to provide as much of an impact on someone's life as she did.
