

# Free Environmental Sessions from Ohio EPA

March 8, 2022

**Continuing Education Units (CEU) will be available for all sessions.**

**Free and  
Confidential Services**

Do you wear multiple hats managing your business's environment, safety, and health regulations? Ohio EPA recognizes that it can be a challenge to understand and keep up with all the regulations that apply to your business. This extended portion of the 2022 Ohio Safety Congress & Expo will include four environmental sessions that will help keep you and your business out of trouble. Session information on the following pages.

**Ohio** | Bureau of Workers'  
Compensation

**Wes Sluga**

Environmental Specialist: DSW

**8 - 9 a.m.**

## **NPDES Construction Stormwater 102**

This webinar is complimentary to 2021's NPDES Construction Stormwater 101 and provides another look at Ohio's construction stormwater program and the construction general permit. Topics include the permit approval process, permit coverage transfers, state/local regulations, non-compliance and enforcement, water quality volume and redevelopment, and available resources.

**CEUs:** 1 hour of Registered Environmental Health Specialist or Environmental Health Specialist in Training; 1 BMP hour for C&DD Operator Certification; and 1 contact hour for Wastewater Operator Certification.

**Register now!**

---

**10 - 11 a.m.**

## **Decoding RCRA: Navigating the Basics of Hazardous Waste**

This session will cover the basic requirements of the Resource Conservation and Recovery Act to help generators understand how they should manage their hazardous waste. Topics will include waste evaluation, container management, satellite accumulation, reporting and more.

**CEUs:** 1 hour of Registered Environmental Health Specialist or Environmental Health Specialist in Training; 1 BMP hour for C&DD Operator Certification; and 1 VAP Certified Professional Development Hour Unit.

**William Narotski**

Environmental Specialist: DERR

**Register now!**

**1 - 2 p.m.**

## **Ohio EPA's Air Pollution Permit Requirements**

This session is designed to give the audience a basic understanding of the air pollution permit program including: when permits are needed, who to contact for assistance, what is contained in a permit, how to comply, how to apply for a permit and how to prepare for an air pollution inspection.

**CEUs:** 1 hour of Registered Environmental Health Specialist or Environmental Health Specialist in Training and 1 BMP hour for C&DD Operator Certification.

### **Samira Deeb**

Environmental Specialist: DEFA

**Register now!**

**3 - 4 p.m.**

## **What to expect during an Ohio EPA Virtual Inspection**

Learn about the inspection process and get practical tips on how you can prepare your business when an inspector arrives virtually or in person.

**CEUs:** 1 hour of Registered Environmental Health Specialist or Environmental Health Specialist in Training and 1 BMP hour for C&DD Operator Certification.

**John Schmidt**

Environmental Specialist: DSW

**Olen Ackman**

Environmental Specialist: DAPC

**Frank Zingales**

Environmental Specialist: DERR
