

## **2019 Rookie of the Year**

### **Cole Myers**

#### **ERA Grizzard Real Estate**

Cole Myers, this year's recipient of the Rookie of the Year award has been a member of the Association since 2018. He is still part-owner of a True Value Hardware Store in Longwood, Florida. As such, he understands that a business owner's duties are multi-faceted, and understands that real estate is a fulltime business that demands the same attentiveness as any brick and mortar store.

He has embraced real estate as a full-time career and is always eager to continue learning. He attends classes at the local board and welcomes mentoring with other members in our office. He is goal-oriented and takes this new career path seriously. He truly represents himself as a professional and adheres to the Code of Ethics.

*The Rookie of the Year Award honors the REALTOR® member of the REALTORS® Association of Lake & Sumter Counties who has contributed the most to the profession within their first full year in real estate as a member of the Association. Nominations were based on ethics, character, and personality, business accomplishments, activity at local levels, and involvement in real estate transactions.*
