

Dear Potential Participant,

I am a 5<sup>th</sup> year psychology student doing my dissertation on creating a more effective sexual assault training manual for police officers, under the supervision of Hadas Pade, PsyD at California School of Professional Psychology at Alliant International University – San Francisco.

The purpose of this manual is to provide a more extensive training to law enforcement officers about how to more effectively intervene with victims that are reporting a sexual assault. The role of your participation would include evaluating a training manual consisting of three modules and filling out an online survey about your thoughts pertaining to the manual.

You will be compensated an electronic \$25 Amazon gift card upon completion and submission of the survey.

To participate in this study, you must either be an officer (within 2 years of graduating from the academy or a captain rank or higher), **or** a psychologist specializing in trauma informed care. There is no obligation given any preexisting friendships, collegial, or working relationships established. The sender of this email would have no way of knowing whether or not you participated in this study.

**How to participate:** Please do not reply back to this email, instead email me at [Nwalker@alliant.edu](mailto:Nwalker@alliant.edu) with the subject line: “Becoming a Participant” and I will forward you the consent form, materials to be reviewed, and a link to the 30 minute questionnaire.

I would like to thank you in advance for your participation. If you have any questions or concerns about this study, please contact me at [nwalker@alliant.edu](mailto:nwalker@alliant.edu).

Thank you for your participation!  
Nicole Walker, M.A.  
Psychology Doctoral Graduate Student
