

## **Everlasting Life Ministry and Pastor Daniel**

**Update** - (See more photos [HERE](#).)

As the new year started at Everlasting Life Ministry in India, Pastor Daniel Masih sat before God and prayed for guidance for the year to come. The Lord led him to make his focus the nearby villages and house churches. Everlasting Life is ministering in 6 states in India, including 15 districts in the Punjab state, with 10 pastors being mentored by Pastor Daniel and ministering to many people throughout Northern India and beyond. This year, they are focusing on building and supporting the house churches. This includes doing three house meetings every day. House meetings are incredibly moving, with passionate worship, prayer, and preaching.

Pastor Daniel's family leads Sunday worship at 3 different church locations. Ministry is growing with many new opportunities to strengthen the church family and to reach many more people. Some of the new areas of ministry include a women's group, a weekly prayer chain meeting (7am-7pm), a weekly fasting prayer meeting, Sunday School for the children, and many more. While people worship in the various locations, the whole church comes together for a monthly worship celebration, which includes Holy Communion and baptisms. In 2021, 3 people have been baptized so far, with another 8 being baptized this month.

Everlasting Life is currently constructing a new church building in Hoshiarpur and are looking forward to beginning the construction on the land recently purchased adjacent to the home church in Dasuya.

God is moving in powerful ways in India and your financial support and prayers will help their mission in Northern India.
