

St. Matthew Lutheran School

Growing together in Christ

I understand that the Chromebook my child will be using is not a managed Chromebook.

I understand that a parent is responsible for monitoring the usage of the Chromebook at home.

I understand that the Chromebook should only be used by the student.

I understand that the Chromebook should be used with a St. Matthew Google account only.

I understand that the Chromebook is made available to my child for the purpose of online learning only and should not be used for other activities.

I understand that the Chromebook should be treated with care and returned in the same condition as received.
