

## LWML – Multi Lakes Zone LADIES

Greetings to all the ladies of the Multi Lakes Zone.

God's blessing to all of you and may this find you enjoying the sunshine and warmer weather for February.

Please forgive my lack of forwarding information to all of you. It's been that kind of year.

We really need to hold a 'spring rally' this April (after Easter) so that we can begin planning future events for the Multi Lakes Zone. We need to elect new officers for the next two years – Co-chair(second seat); Secretary; Treasurer- are all open for new people.

Though I don't know which church was scheduled to host the next rally, I suggest that every church send at least 2 delegates to the Spring Rally here at St. Paul Community Lutheran Church in Pontiac, Saturday April 24 at 11am to 1pm. If this sounds good to you, please RSVP to either Sharron Murphy (cordellgirl257@yahoo) or Joan Wagner (jmvidolich2011@gmail) or [stpauloffice1133@gmail.com](mailto:stpauloffice1133@gmail.com).

Could you also send a list of your women's group leaders so that I can update our records, it would be greatly appreciated.

I am being asked to contact everyone to update you regarding the upcoming National convention.

Regarding **National Convention June 24-27 in Lexington, KY** – We are to send one delegate from the zone and then anyone who wants to work the convention as a volunteer. (Volunteers who work 8 hrs or more will be reimbursed their registration fee.)

As the deadline for early registration is fast approaching, I will be going as the Multi Lakes Zone delegate and Sharron Murphy is going in her capacity as a Caring Ministries representative. Transportation will be by personal vehicles and the District decided against bus transportation this time.

Because the deadline is fast approaching, this information needs to go out to all the ladies of your groups.

Registration forms can be found on line at the <https://www.lwml.org/2021-convention>.

I hope this hasn't overwhelmed everyone like it has me, but with all your prayers and support we will get through this. Looking forward to hearing from all of you and seeing you in April.

Sincerely,

Joan Wagner, co-Chair
