Martin's remodeling 2 Winchester stores

Star staff report

Jul 7, 2026

The GIANT Company, known locally as Giant and Martin's, on Wednesday announced renovations are now underway at two Martin's stores in Winchester.

The stores, located at 1950 S. Pleasant Valley Road and 200 Rivendell Court, will remain open during renovations, which are expected to be completed by the end of the year, a company media release stated.

"We hope customers will pardon our dust over the next several months as we work to bring an even better shopping experience to them," said Marquis Black, manager of the South Pleasant Valley Road store. "The entire store team is excited about this remodel, which will put value and freshness front and center for our Winchester customers."

Both stores' fresh offerings — produce, bakery, meat and seafood — in addition to the center store aisles and beer and wine areas, will be updated with improved efficiencies for shoppers and an enhanced assortment of products, according to the release.

The deli and prepared foods departments in both stores will undergo an overhaul to offer more Grab 'n Go items. In addition, pharmacy customers will soon have a new consultation room for pharmacists to administer immunizations in a more private setting.

Added Chris Brooks, manager of the Rivendell Court store, "This store remodel is focused on bringing our customers a refreshed shopping experience."

Both stores are open daily from 6 a.m. to 11 p.m. The South Pleasant Valley Road Martin's opened in 1990 and employs approximately 130 team members. The Rivendell Court Martin's opened in 2006 and also employs approximately 130 team members.
