Ready to enhance your professional brand and gain real-world experience? The Virginia Micro-Internship Experience is your chance to take on short-term, paid, fully remote professional projects designed to help you build skills, explore career paths, and expand your network—all while getting hands-on experience.

Open to all current undergraduate students enrolled at a nonprofit 2-year or 4-year Virginia higher education institution, regardless of major, this program offers a flexible way to gain experience.

- Complete short-term, paid projects designed to fit your schedule (approximately 15 hours each).
- Earn \$315 upon successful completion.
- Projects posted beginning early May through November.
- Connect with employers across Virginia in a variety of industries.

Create a Parker Dewey account to get started.

Benefits for Students

- ✓ Gain flexible, paid, professional experience that fits your schedule.
- ✓ Build confidence by gaining skills in real-world settings.
- ✓ Explore career paths to discover what interests you.
- ✓ Strengthen your résumé with meaningful, skills-based work.
- ✓ Grow your network with employers in Virginia.

How It Works

- 1 Complete V-TOP Career Readiness Module #1.
- 2 Create and complete your Parker Dewey profile.
- 3 Review and apply to the Micro-Internships that interest you.
- 4 If selected, complete the 15-hour project by the project's deadline. Then complete the post-program evaluation.
