

## Join us for the Fall Teacher Leadership & Collaboration Leadership Symposium

Join us Saturday, Sept. 24 at CEC Early College from 8:30 a.m. - 3:30 p.m. for the Fall TLC Leadership Symposium. Teachers from across DPS will gather to develop and hone their leadership skills, network with teacher leaders from other schools, and engage in discussions about leadership in Denver Public Schools.

Ranging from 85-minute sessions on skills development and affinity groups to three hour deep dives into content leadership, assessment, professional learning communities, the symposium will provide DPS teachers with opportunities to lead from where they are. Various district and teacher leaders will share innovative ideas, information, and best practices at lunch during a Pecha Kucha slide presentation.

All teachers, in any role, are welcome to join; teachers attending the full-day event will be paid at the extra-duty hourly rate. Teachers should register in Schoolnet today to reserve space (use code SEPSYM).
