

# Who We Are

---

NorCal Boxer Rescue is a foster-based organization serving homeless boxer dogs in northern California. While we aim to serve every dog, we prioritize those who are at greatest risk, including those who are ill, injured, senior, or housed at the shelters where the risk of euthanasia is highest.

NorCal Boxer Rescue has partnered with The Grey Muzzle Organization, a national organization that envisions a world where no senior dog dies alone and afraid, to develop the "Growing Old with You" program.

*Together, we want to help you adopt a senior boxer or keep the one you already love.*

# Growing Old With You

Financial support for families of senior boxers

## Helping senior boxers get and stay home

## "GROWING OLD WITH YOU"

---

We know that the best place for an old dog to be is home with loved ones. If you are considering surrendering your senior boxer due to the cost of veterinary expenses, or if you are considering adopting a senior boxer, we want to help.

We can provide up to \$1,000 support for veterinary expenses to help you welcome a new senior boxer into your home or keep the senior boxer you already love.

## WHAT IS COVERED?

---

Grant funds can be used for veterinary diagnostics, treatment, or even hospice care.

You may use the vet of your choice. We do not cover the cost of euthanasia or cremation.

Payments will be made directly to your vet
