

Quality of Services Survey

The Quality of Service Survey gathers feedback from people receiving services and their families to measure respect, autonomy, safety, independence, and satisfaction, helping PCCS improve programs and meet compliance standards.

Tell us how we're doing—so we can do even better!

The Quality of Service Survey is your chance to share feedback about how well PCCS is meeting your needs.

Your input helps us ensure:

- ✓ Respect & Communication
- ✓ Choice & Control
- ✓ Safety & Trust
- ✓ Growth & Independence
- ✓ Overall Satisfaction

Why Your Input Matters

Your feedback helps improve programs, strengthen quality, and ensure services reflect your needs and goals.

How to Participate

Scan the QR code to complete the survey online or [click here](#).

 It only takes a few minutes!

 Share your honest thoughts—we're listening.

 Together, we can build stronger, more supportive services.
